Ms. Laura Steenbergen holds an MBA in Organizational Leadership from the University of Findlay. She has over 20 years of business experience as a corporate trainer, career development specialist, and project manager. In the field of education, she was the Regional Director for Adult and Graduate Studies at Mount Vernon Nazarene University's Cincinnati Campus. Currently, she is an adjunct for business courses in adult degree completion programs. As the new Director for Education Services, Laura will direct the Supplemental Educational Services (SES) Academic Tutoring Program activities, as well as explore and develop new programs to strengthen ERCO's ability to provide students with the means to reach their highest potential.

**Laura Steenbergen**  
Director of Education  
Services

Dr. Terry B. Joyner serves as Director of Academic Performance and Accountability and facilitator of the Ohio Improvement Process (OIP) for ERCO schools. She joined ERCO in February 2009 and has been a valuable asset in implementing and monitoring the state's new improvement process and management tools. Dr. Joyner brings thirty-two years of experience in curriculum and instruction, beginning her career as a teacher of students with disabilities and Reading Specialist in the public school system. She has held the positions: Supervisor of Curriculum and Learning, Director of Curriculum, and Assistant Superintendent/Chief Academic Officer. In the position Chief Academic Officer, Dr. Joyner was responsible for directing Curriculum and Instruction; Early Childhood Education; Research, Evaluation and Assessment; Student Services; Federal Programs and Professional Development. Dr. Joyner has also collaborated with institutions of higher education, state and local agencies and private foundations to improve educational services for all students and families in the Cincinnati area.

Dr. Terry. B. Joyner is also the President and CEO of Systems Solutions LLC, an educational consulting company that provides curriculum alignment, instructional management, program evaluation, coaching, data analysis and monitoring services to schools for improving student achievement. She provides professional development, technical assistance and administrative services to local school boards, community schools and sponsors and social service agencies. She received her degrees in Education from the University of Delaware (BSED 1977), University Of Maryland, College Park (M.ED, 1979), and Wilmington University, Delaware (Ed.D 1996). Dr. Joyner believes, "Schools control the conditions that lead to student success." Quality teaching and instructions is the key to success.

The logistical organization of ERCO is upon the shoulders of our excellent Administrative Assistant/Office Manager, Sonya Lunsford. Sonya has fifteen years experience in the clerical field and eight plus years as an Executive Administrative Assistant. She attended Indiana State University in the school of Business Administration and later the University of Cincinnati—Raymond Walters College with a concentration on Office Administration/Medical. Mrs. Lunsford plans on continuing her education with the goal of attaining a degree in Business Administration. She successfully incorporates her work experience and educational background with excellent organizational and leadership skills as ERCO's, Executive Administrative Assistant.

**Sonya Lunsford**  
Administrative Assistant

Another part of the logistical organization of ERCO is also up the shoulders of Karen Parker our outgoing Receptionist. Karen covers several positions such as secretary and is responsible for accounts payable. Forty-five years experiences gives her the finesse to interchange each position seamlessly and effectively. Prior to her position at ERCO, she held numerous positions of "back office" support that helped in the efficient running of the office. She developed and implemented processes that resulted in time and cost saving procedures. Karen is the pleasant smile as you enter the doors of ERCO. Her warmth and easy communicative skills makes you feel "at home" which is important in overall communications within the office environment.

**MISSION STATEMENT**

It is the mission of Capital High School to provide the “opportunity for success” to, and motivate and instruct, these students who fail to learn in traditional school settings and have decided to drop out of the school system. Included in the population are students described as generally disruptive with chronic behavioral issues, students who have been suspended to expelled, and students with special needs. It will advocate student achievement in school and in life via individualized learning that ensures every student meets all expected performance standards, graduated, and is able to compete on a global scale.

# Capital High School

## Educational Plan

The academic program will meet all Ohio Department of Education requirements in English/language arts, math, science, social studies, computer literacy, and physical education. Capital High School will use the Edison Learning eCourses online curriculum, which is aligned to state standards, with a combination of direct instruction by state certified teachers. A comprehensive life skills program is also part of the instructional program. Life skills are taught in an effort to increase student awareness in areas such as conflict resolution, interpersonal skills, health, computer skills, financial management and a component which familiarizes students with resume' building, interviewing skills and appropriate professional decorum.

**MISSION STATEMENT**

It is our mission here at City Day Community School to enable students to strive to be life long learners. We commit to help children develop their talents with the clear purpose that each shall understand his/her potential for participation in a democratic society. We will diligently seek ways to increase student attendance. We will improve test scores, increase physical fitness and give each student the opportunity to be a successful sufficient individual, and we hope to enrich their lives forever.

# **City Day Community School**

## **Educational Plan**

The City Day Community School’s Education Plan is designed to help maximize the skills and abilities of our students and our staff. Increasing our student’s level of academic success, and their test scores on the Ohio Achievement Assessment (OAA), is one of City Day’s major goals for the upcoming school years. With the current statistical data, we realize that increasing test scores on the OAA is a daunting task that will require our students to endure strenuous academic training that will be designed to help them retain delivered knowledge, and bring them up to their correct academic levels.

**MISSION STATEMENT**

The School will be modeled on community structures, culture, and social practices. It will:

1. Engage children in high quality educational experiences that build and nurture a desire for life long learning.
2. Prepare students for the workforce and/or postsecondary education meshing theory and practice.
3. Use the community heritage and culture as the learning base for the acquisition of knowledge and skill.
4. Close the gap between community, family, school, and work by involving the whole community in the school in meaningful ways.
5. Serve as a model for other community schools – urban and rural.

# **East End Community Heritage School**

## **Educational Plan**

All students receive core academics aligned to the Ohio Department of Education Academic Standards in the areas of Language Arts, Science, Math and Social Studies. Before students are promoted to the next grade level specific academic standards are met each year. All students and staff received academic intervention and support from Xavier University which provides EECHS tutors, academic coaches for our Special Education Department as well as technical support for Administration. New for the 2011-2012, we will enhance our educational plan by the addition of a college readiness curriculum to our course offering to close the educational gap and prepare our students for success in a global society.

**MISSION STATEMENT**

The school exists to provide students a premiere education with immersion in mathematics, science, and technology. All staff has a responsibility to create and maintain a safe, secure environment conducive to learning. The ultimate outcome is that all students thrive as productive life-long learners and leaders or contributing members of society; to assure they evolve into citizens with aerial self worth, mutual respect and high integrity standards.

## ***Educational Plan***

Our instructional design/philosophy is grounded in the phonetic approach to reading. Coupled with a comprehensive component, this approach will unlock the world of clear thinking, logic, contrast and comparison, well-founded opinions and judgments. This two-fold approach also fosters a feeling of deep contentment and well being which in turn allows the student to see the world as a friendly place.

The delivery methods to be used per grade level and content area will be teacher-base direct instruction (lecture), student laboratories, project-base, off campus adventures, and tutoring.

### **MISSION STATEMENT**

The mission of the Premier Academy of Ohio is to provide the highest quality education to our students. The Academy will strive to operate the leading workforce development education program in Ohio through unique business partnerships and technology that will link graduates with high paying job opportunities. All students can learn given appropriate learning resources and experiences. The school is dedicated to provide the resources and experiences so that students can become productive citizens and receive a living wage upon graduation. When appropriate, we will create opportunities and extend boundaries for students in a virtual setting as well. Curriculum will be based upon state content standards. Parents, teachers, and students will be encouraged to become equal partners to enable students to become productive citizens.

# Premier Academy of Ohio

## Educational Plan

Premier administers all state mandated tests for the appropriate grade levels. Additionally, it utilizes the “A+ curriculum” from the American Education Corporation to assist in assessing student needs. Finally, the Ohio Career Aptitude Placement (OCAP) will be administered to all career technical students at the end of their second year in the program. The OCAP represents competencies and standards identified by the state-level stakeholder groups that identify what students should know and be able to do in a career area. Courses of study are based on the Ohio Career-Technical and Adult Education (CTAE) content standards. Additionally industry related standards may apply and are encouraged by the teaching facility. A senior project that demonstrates mastery of skills is completed by many students.

V.L.T. Academy recognize that each child is a unique individual; possessing talents, abilities, goals, and dreams. We further recognize that each child can only be successful when we acknowledge all aspects of that child's life; addressing their needs, enhancing their intellect, developing character, and uplifting their spirit. We recognize that individuals learn, grow, and achieve differently, and it is therefore critical that, as a district, we provide a diversity of programs based on students needs. We also guarantee the superior preparation and performance of every child in a safe, learning environment achieved through the partnership of family, staff, community and student involvement.

# V.L.T. Academy

## *Educational Plan*

V.L.T. Academy serves students from the general population, focusing on those students who need higher ordered thinking and strategic reasoning skills to pass required state standardized tests. In keeping with the mission, the V.L.T. Academy will broaden the horizons towards Reading, Writing, Mathematics, Technology, Character Education, strong parental and community involvement, and an awareness of seeking higher educational opportunities (college bound). V.L.T. will work closely with the public in meeting the needs of all students, holding the principle that No Child Will Be Left Behind.
