

Learn about the influence of culture on teaching and learning.

Coaching Culturally Responsive Practices within a RtI Framework

Date: Tuesday, May 4, 2010

Time: 8:30 - 3:30

- Aimed at those responsible for facilitating school– or district-wide systemic culturally responsive practices, policies and procedures.
- Participants will learn about factors contributing to achievement gaps and disproportionality
- Participants will examine characteristics of a culturally responsive learning environment
- Participants will leave with tools, resources and strategies for increasing the responsiveness of their schools to the needs of diverse learners.
