

**Implementation of a Comprehensive
Response to Intervention
Framework:
Strengthening Tier 1 Reading**

The RtI framework allows district leadership teams in conjunction with building leadership teams to address curriculum, instruction, assessment, and instructional leadership practices.

This series is designed for **leadership teams**. Teams will be provided a substantial amount of time to engage in guided activities related to planning and implementation. Focus will include systems change work and activities that relate to building level implementation.

Session Dates are:
Friday, March 6th
Wednesday, April 1st
Wednesday, May 6th

**Hamilton County
Center for Regional Educational Services**
(former SERRC location)
1301 Bonnell, 3rd Floor
Cincinnati, Ohio 45215
(map attached)
