

CCIP Note # 177

Keywords: Allocations, Financial

Attention: Superintendents, Treasurers, and Consolidated Application Contacts

Summary: FY 10 Consolidated Applications available June 1, 2009;

FY 10 CCIP Consolidated Applications available June 1, 2009

Superintendents, Treasurers, and Consolidated Application Contacts

FYI

All FY 10 CCIP regular consolidated application allocations will be accessible online June 1, 2009.

The initial district allocations are based on estimates from the U.S. Department of Education (US DoE) and should be used for FY10 planning purposes. Please be aware ODE is waiting for verification regarding Title I allocations from the US DoE. These initial allocations will be revised based on US DoE verifications expected in June.

For this reason, districts should not submit the FY10 consolidated application to ODE prior to mid-June. District applications submitted to ODE prior to July 1 will have a substantially approved date of July 1, 2009.
