NOTES/COMMENTS:

In this FAX are an application packet and an article published by the Ohio School Boards Association. The application packet has information about MCP related to improving students' mathematics achievement, coach selection, and information related to signing up and for school and district leaders. The OSBA article describes the success experienced by schools from urban and rural Ohio school districts after participating in the MCP.

You can get additional information from the internet about the MCP from our website [http://www.newark.osu.edu/derchick/MCP\\_Program/default.asp](http://www.newark.osu.edu/derchick/MCP_Program/default.asp) where you will find information about the MCP including informational presentations that include data, program structure, philosophy, and the conceptual framework used to guide our work.
